

The Perfect Solution for Owner Occupiers:

SouthEast
BUSINESS PARK

LAND FOR SALE

Two of the first owner occupiers are Harris Freer Toyota and Asixa Logical Outcomes.

Harris Freer Toyota is one of the largest dealerships in Melbourne's south east. The new SEBP address will be a sales, service and parts facility as well as providing new car storage and pre delivery to their current facilities and will cost approx.

\$6,500,000. The majority of the estimated strong 25 work force will be sourced locally with an opening planned for September this year.

Ross Freer- Harris Freer Toyota

From their new facility at SEBP, Asixa Logical Outcomes offers next day delivery service from Melbourne to all of country Victoria, the Riverina, southern NSW, Broken Hill & Mt. Gambier.

With a network of depots and a large fleet of vehicles, they deliver close to 250,000 consignments each year ranging from small parcels to pallets and oversized freight.
